

The Love Approach

“They answer all my questions and explain everything to me. They are very clear and very nice to us.”

“Very welcoming. Able to speak honestly and openly. Everyone seems to care & are kind.”

“My experience was great, everyone was so kind. I highly recommend the Abel center as a welcoming place for more women like myself.”

“The people working here were very friendly and made me feel very comfortable.”

“Considering a change in my sexual health choices. They were very helpful.”

(1) Follow God’s example, therefore, as dearly loved children (2) and walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God. Ephesians 5:1-2

Thankful

God's Provision

Your faithful giving is a lifeline for families in our communities. Through your generosity, God's provision provides 100% free pregnancy testing, limited obstetrical ultrasound exams, STI testing, educational classes, and material goods for those in need.

God's Protection

We thank you for your prayers for the safety of everyone who works and volunteers at Abel Pregnancy Resource Center.

God's Faithfulness

Thank You, Father, for bringing the right people at the right time so that Abel can continue to thrive. Thank You for every volunteer who attends and helps with our annual fundraisers. Thank You for those who provide carpentry work, landscaping, clothing donations, and for our wonderful client advocate volunteers.

God's Providence

As human beings, we cannot fully understand Your plans. Yet we can rest in the truth that You are good and that You love Your children. Thank You, Father, for Your infinite mind of hope and for the gift of Your most precious creation, mankind.

We Need More Volunteers

Our supporters know well that volunteering at Abel Pregnancy Resource Center is both life-giving and deeply rewarding.

Our Volunteer Needs

- * 6-8 additional client advocate volunteers, including 1 volunteer who has an abortion story and has realized healing through Christ. A person willing to be trained to help other women walk through the beginnings of the healing process.
- * 1-2 additional licensed registered nurses to be trained as ultrasound technicians.
- * 3 volunteers to attend community events and represent Abel PRC. This is an important part of letting our communities know who we are and what services we provide.

New Volunteer Onboarding Process

To bring more convenience we've gone to an online training curriculum with on the job guidance.

Congratulations to all our competitors at the 2025 Master's Open Golf Tournament at Fountain Springs Golf Course. What a great day of fun and fellowship we all had. It was a truly beautiful day with a touch of rain in the afternoon to keep us all cool.

Our efforts raised an additional \$30,000.00 for our budget this year and we're so thankful to our competitors, underwriters, hole sponsors, exceptional sponsors, tournament donors and to the team members who went above and beyond to raise additional funds. Thank you all, you are awesome!

Join us in thanking our tournament Underwriters, Hole Sponsors and Exceptional Sponsors by remembering them when a need arises at your home and/or business. Let's support the local businesses that support the life saving work at Abel PRC.

All of us at Abel Pregnancy Resource Center are deeply grateful for the many hands and feet that came together as volunteers for the 2025 tournament. There were so many of you, it's impossible to name everyone individually! Every part of the event came together beautifully, and your teamwork made it a tremendous success.

From the setup and breakdown crews, grillers, runners, and coffee and treat table attendants, to the check-in desk team, tent crews, lunch and dinner servers, hole-in-one witnesses, golf cart crews, and so many more, you each played an important role.

From all of us at Abel Pregnancy Resource Center, thank you from the bottom of our hearts!
