

# Abel Pregnancy Resource Center

*A place of hope and help for those making pregnancy decisions*

*July 2020*

“As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.” **Ephesians 4:1-6**

Thank you, to each one of you who have been praying for Abel Pregnancy Resource Center in the past two months. Thank you also for continuing to support in finances the mission and ministry of hope and LIFE here on Sylvia St. in Bluefield, WV. It is an honor to be a part of the Body of Christ with you in our war against the principalities and forces of darkness in this present day and age. All of us here at Abel love you and are so very very grateful to the Lord for you.

As a matter of report it is my humble pleasure to report to you our wonderful Father’s provision of compassionate, very quick and dedicated team members He has brought to Abel for such a time as this. Welcome Cheryl Hunter, Diana Lockhart, Martha Perdue and Susan Blevins. We are so grateful to the Lord that He has lead you to Abel. After opening our doors for services on the 18th of May we have seen the continuance of clients coming for pregnancy tests as well as the Earn While You Learn program. Please pray for the women who have come to us with the intention to abort their babies, they are in such need of a revelation from the Lord and truly it is His Spirit that will change their hearts. Pray with us for a revelation for all women and men who find themselves faced with an unplanned pregnancy, which will lead them to our donors and ultimately a decision to give their babies LIFE. This indeed is “worthy of the calling you have received” as a prisoner of the Lord.

It is our standard at Abel to speak with the client who enters our facility with gentleness, with patience and bearing their experience and circumstances which lead them to us. Sharing through the Spirit a hope and a message which says, “you can do this, you have what it takes”. Through the building of relationship with our clients we hope for the opportunity to share the Gospel of Jesus Christ. Please pray with us for a movement of the Holy Spirit within the walls of Abel PRC for the harvest of souls.

We need your prayers, dear Church. It is not in our strength that we carry out the mission of Abel PRC, it is through the strength of the Holy Spirit. “one Lord, one faith, one baptism; one God and Father of all”

May God bless you, Matthew

## *Abel's Nurse Manager Is Going to Vegas*

Susan Blevins RN, FNP-BC., our nurse manager, will be attending the limited obstetrical ultrasound training coming up in the later weeks of July 2020. Susan will be attending Sparrow Solutions' training classes and hands on competency training with the goal of receiving her certificate, to administer limited obstetrical ultrasound exams at Abel PRC. We will once again have the capacity to peer into the womb of the miraculous and allow women to see the babies they are co-creating with God. What a blessing and life saving tool this is for our communities. Thank you all so much for praying for Abel while in transition to see this piece of the Lord's ministry once again produce good fruit. All the prayer warriors out there, please do pray for Susan as she goes for safety, a wonderful experience and success.
