A Heartfelt Thank You from Abel PRC

With grateful hearts, the Board of Directors and team at Abel PRC would like to extend a heartfelt "Thank You!" to everyone who gave their time, talents, resources, and energy to make the 2026 Master's Open Golf Tournament such a tremendous success.

On July 25th, 40 teams of four came together at Fountain Springs Golf Course for a wonderful day filled with great food, golf, prizes, fellowship, and, most importantly, an opportunity to support the mission and ministry of Abel PRC.

Because of the generosity and hard work of so many, we are thrilled to share that this year's tournament raised $17,500! Beyond the funds raised, the tournament also provided a wonderful opportunity to introduce more people in our community to the 100% free services offered at Abel PRC. We are incredibly thankful to God for His provision and faithfulness throughout every step of this endeavor. From the countless hours of preparation to the encouragement we received through His Word and through the words and actions of so many wonderful supporters, God continually reminded us that we were not carrying this undertaking alone. To God be all the glory for the success of the 2026 Master's Open Golf Tournament!

We would also like to express our sincere appreciation to the churches, businesses, and individuals throughout our community who generously contributed financially. Your support makes it possible for us to create a tournament that hundreds of golfers look forward to year after year.
Your generosity allows us to go above and beyond in providing excellent food, exciting prizes, and thoughtful amenities that make the Master's Open a truly special event. More importantly, your support helps Abel PRC continue its mission of providing compassionate, quality services to those in our community—completely free of charge.

To every sponsor, underwriter, golfer, volunteer, donor, church, business, and individual who played a part in this year's tournament: thank you. Your generosity made a difference, and we are deeply grateful for your partnership in the work God has called Abel PRC to do. We look forward to seeing you again next year! (July 17th, 2027)

With sincere gratitude,
The Board of Directors & Team at Abel PRC

Center Prayer Requests

Additional Volunteers: In order to be more available to women and men in our communities who may be struggling with an unplanned and/or unwanted pregnancy, we must have additional volunteers. **The commitment** is 4 hours/week and training is done while you're volunteering. The need is for both **medical & non-medical** volunteers. We would like to train a second **RN to conduct limited obstetrical ultrasound exams** as soon as possible.

We have launched a new marketing campaign: Let's reach more abortion-vulnerable and abortion-minded women and men in our communities. Please pray for the Lord's provision concerning this endeavor. The cost for this campaign is $3,549.00/month. We've committed to a 6 month trial period, which is a cost of $21,294.00.

Our Communities: Please pray for the communities surrounding Abel Pregnancy Resource Center. As is in all communities in our country, there are mindsets, world views and generational ways of thinking which perpetuate lifestyles that predispose people to the possibility of experiencing an unplanned and/or unwanted pregnancy. Pray for the souls of our neighbors and our brothers and sisters in humanity. Pray for a revelation of the Holy Spirit to come over and upon those who do now know and follow Christ.

We once again extend our heartfelt gratitude to the Board of Directors of the Community Foundation of the Virginias for their generous financial support. Your commitment to caring for our neighbors is a blessing to our communities, and we sincerely thank you for helping us meet our clients' needs with compassion and care.

Will You Consider Volunteering With Us?

As Abel Pregnancy Resource Center invests in an entirely new and professional marketing campaign we have great expectations for a significant increase in client visits. With this increase we must also have an increase in the number of Client Advocate, Medical Staff volunteers.

Our expectations for volunteering include:

* A willingness to be trained in the specific areas relevant to the ministry provided at Abel PRC.
* Dedication to a continuous presence at Abel PRC according to an agreed schedule.
* A willingness to be flexible within reason pertaining to scheduled times of volunteering.
* A working knowledge of how to work with computers as all information is filed electronically.
* A visible demonstration of compassion for folks in our communities who are scared and need a safe, confidential and loving place to make life changing decisions.

Time is hard to tithe as it is something we never can recover as human beings. In many ways it is the most valuable asset we possess. Will you consider giving of your time to help others who need to tell their stories and feel loved?

Please download the Client Advocate Volunteer Application using this link. This application pertains to medical volunteers as well as non-medical volunteers (men & women).

Thank You for an Amazing 2026

As we close our final newsletter of the year, we want to offer a heartfelt thank you to everyone who has supported Abel Pregnancy Resource Center in 2026. Your generosity, prayers, and countless hours of volunteer service have helped keep our doors open and our care available to families in the communities around us.

Every part of our work, both inside our Sylvia Street center and throughout the community, depends on people who choose to give their time, resources, and compassion. Your support has also made it possible for us to invest in new ways to reach those who need us.

This year, we are especially grateful that 26 babies who were at risk of abortion were given the opportunity for life. We give thanks to God for each one, and for the staff, volunteers, and supporters who have walked alongside their families.

It is a privilege to share this mission with you. From all of us at Abel PRC, thank you for your faithful support. To God be the glory.

Sincerely,
The Abel Pregnancy Resource Center Team
