Registration will open on February 28th, 2026. Team member registration donation is \$100.00 and trash donation is \$10.00. We're doing our best to make sure all competitors/teams will have the opportunity to participate in 2026. To that end we will only place a team on the roster after all registration donations have been turned in. At that point a team's spot in the tournament will be secured. To register please scan the QR code below with your phone camera or, go to www.aprcfundraiser.org and click on "2026 Master's Open Golf Tournament".

A Testimony of Thanks

I'm beyond grateful to have Abel Pregnancy Resource Center as a place of hope. Being a single mom of a preteen and finding out I'm pregnant again, I felt overwhelmed trying to figure out everything I needed along with starting over. My oldest is 11 years old and it had been so long since he was a baby. So I turned to APRC for help. My son and I started going religiously every week, watching the videos and doing our homework. Not only did this help me learn new things but also reminded me of things I had forgotten over the years. Big brother also learned a lot about having a baby brother and how he can be mommy's helper when little brother comes. During my time with APRC I learned valuable information and connected with some of the most amazing volunteers. Close to the end of my pregnancy I ended up losing my job due to store closure and I felt so lost. I lost the only income I had for my family. Needless to say the volunteers swooped in as an answer to my prayers. It became possible to receive all of the important remaining items I needed and so much more. The 2 ladies that sat in on the classes with me were angels; they listened when I needed to rant and they cared. They showed me grace that was needed in a time when I needed it the most. I truly can't express the gratitude I have for these amazing people and the resource they have been. How blessed I am by Abel Pregnancy Resource Center and those who work there.

Upcoming Personnel Needs

* Community Events Volunteer Teams

Throughout the spring, summer, and fall, numerous community fairs and festivals take place in our local area. We aim to be present at these events to **share information about our services and to recruit potential volunteers.**

To accomplish this, we are seeking two dedicated groups of three volunteers who are willing to commit to attending these events alongside current team members. **Having a strong presence at these community gatherings is essential.** The greater our visibility, the more opportunities we create to connect with the community and expand our ability to provide our services.

* In-Center Client Advocate Volunteers

Like many pregnancy resource centers across the country, one of our greatest challenges is recruiting and retaining client advocate volunteers. This is true for a variety of reasons. Yet it is also true that pregnancy resource centers attract some of the most empathetic, compassionate, and loving people you will ever meet.

Abel PRC is currently in need of **at least five additional client advocate volunteers.** With **four more women and one more man,** we could potentially open a fourth day of service each week, making our care, resources, and love more accessible to clients in our community.

We ask that you would **please pray about this opportunity.** If you feel led to learn more, you can download the **Onboarding Document** using the QR code provided, which gives greater detail about the process of becoming a client advocate volunteer.

* Phone Call Team

Our **annual golf tournament fundraiser** will take place on **July 27, 2026, at Fountain Springs Golf Course.** One of our greatest challenges each year is contacting the full list of businesses on file to invite them to participate as event sponsors.

We are seeking a **team of five volunteers** who would be willing to make phone calls to local businesses and present this sponsorship opportunity. **Sponsorship plays a critical role in the financial success of the tournament,** and strengthening this effort is a key goal for us this year.

If you are comfortable making phone calls and would like to help ensure the success of this important fundraiser, we would love to have you be part of this team.

Thank you for considering being a part of our team in whatever capacity you may be able to serve. We rely on a wide array of talents and gifts to present the center in the most professional and caring manner possible.

If you feel that God is calling you to be part of His ministry at **Abel Pregnancy Resource Center,** please contact us using the information provided on the back of this newsletter.
